

PERSISTENT ATTACKS

Lord Roberts Reports Boers Active Around Thabanchu.

LARGE BRITISH FORCE OPPOSED

A Convoy Barely Extricated From Impending Capture.

THE WAR'S ENORMOUS COST

LONDON, May 1.—The following dispatch has been sent by Lord Roberts to the war office:
"The Boers made a dash at the Boers made very persistent attacks round Thabanchu Saturday and Sunday. But the position which the 8th (Rundel's) Division holds is very strong, and he had the assistance of Gordon's and Dickson's brigades, the cavalry under French, and Smith-Dorrien's Infantry Brigade, and a body of mounted infantry under Ian Hamilton. Lord Roberts' division returned from Dewetsdorp yesterday."
Lord Roberts also reports additional casualties sustained during the fighting of April 27 around Thabanchu, consisting of 100 British and 200 Boers. The Boers killed one officer and three enlisted men wounded.
Neither the commander-in-chief's nor the Boers' reports are likely to throw any light on the plans being adopted to oust the Boers from the neighborhood of Thabanchu and how long a determined effort will be made to restore British superiority to only a matter of surmise.
Boers Remarkably Aggressive.
In the meantime the Boers are remarkably aggressive, especially in view of the large forces opposing them. A special dispatch from Thabanchu, dated yesterday, reports that the Boers made a dash at the British camp, which was broken ground between Thabanchu and Dewetsdorp, opening fire from the adjacent hills. In the nick of time Gen. Brabazon, with a strong force of mounted infantry, returned from Wepener, arrived on the scene and extricated the convoy.
The same special correspondence describes the disposition of the forces at Thabanchu, as follows:
Gen. Rundle is covering the advanced camp facing the Boers' position to the east, where they are strongly entrenched. Gen. Ian Hamilton and Gen. Smith-Dorrien occupy strong positions on the road to the north.
Artillery Frequently in Action.
Another dispatch says a column under Gen. Hamilton located the Boers to the northwest and an artillery duel ensued without result.
All accounts tell of much artillery firing with scarcely any casualties. It is hardly likely that two such forces can much longer potently face each other without more serious occurrences. Gen. Brabazon's column is expected to join Gen. French shortly. A number of Boers are reported to have been seen retreating north, but this is scarcely authoritative.
Stringent measures are being adopted to prevent the Boer guerrillas from securing supplies from other centers.
Queen Victoria's Anger.
The little news from Thabanchu is absorbing all interest.
The Cape parliament has been summoned for June 22.
At the conclusion of Gen. Sir George White's visit to Windsor today Queen Victoria decorated the defender of Ladysmith with the Order of the Bath and the Order of the Victoria Cross. Her majesty and the soldier had a lengthy conference. It is scarcely authoritative to say that the queen was more angry than for years over the publication of the Spion Kop dispatches.
Tremendous Expense of the War.
LONDON, May 1.—In the house of commons today the parliamentary secretary of war office, Mr. Wyndham, announced that under the exceptional circumstances of the case he proposed to lay on the table of the house the telegraphic correspondence between the secretary of state for war, the Marquis of Lansdowne, and the commander of the British troops in South Africa, Lord Roberts, with reference to the publication of the Spion Kop dispatches.
Replying to a question, the financial secretary to the treasury, Mr. Hanbury, said that the cost of the war up to March 31 was £22,250,000.
All Must Shoulder Manera.
A special dispatch received here from Cape Town, under today's date, says that Secretary of State Reitz of the South African republic declared to a recent visitor that he proposed to lay on the table of the Englishman a cleared out of the state, by any other American, German or any man of other nationality who was not prepared to shoulder a Mauser and fight for the country.
Boers Blowing Up Railway.
LONDON, May 1, 4:25 p.m.—A dispatch from Mafeking, dated April 30, says: "The Boers have been busy for several days blowing up the railway southward. There was little firing during the past week."
"The town will respond cheerfully to Lord Roberts' request to hold out for another month."
"The Boers are blowing up the railway, but otherwise the health of the garrison is good and all are well."

BOERS WEST OF BLOEMFONTEIN.

Showing Great Activity and Threaten British Communication.

LONDON, May 1.—The Boers are now showing uncommon activity west of Bloemfontein. They are in force between Fourteen Streams and Kimberley. On Sunday they occupied Windroosdrift, west of the railway, and now threaten to interrupt the communications of the British force at Warrenton to the north.

This, too, at a time when General Hunter is about to start on a 200-mile march to Mafeking, probably with 5,000 men.

To the westward the Boers Sunday night were still holding the hills near Thabanchu, while behind them long wagon trains, loaded with wheat for the Boers, were in the north, are moving through Ladysburg.

The British captured one Boer convoy on Saturday, but its size is not mentioned in the dispatch, which barely mentions the fact.

Wepener, lately the scene of incessant fighting, is deserted. General Brabant and Colonel Dalziel having moved northward. A dispatch from Maseru, dated Monday, says:

"The Boers are a second time astounded to see the Boers peacefully retiring with herds which the native think should be the property of the British, who are said to be the conquerors."

According to information from Maseru, the main body of the Boers reached Lecur river, due west of Ladysburg Sunday, small parties trailing behind at intervals of ten miles to protect the rear and whip up the fugitives.

Slight outpost actions take place daily beyond Kamek Siding, where the head of the Boer column is said to be.

African horse sickness was broken out in General Buller's army. It proves especially fatal among freshly arrived animals. The Bloemfontein correspondents point out that

MANILA BAY DAY AT THE WHITE HOUSE

Anniversary of the Great Battle Celebrated by Chicago.

ROYAL HONORS PAID TO ITS HERO

The Lake City Pours Out a Multitude in Parade.

FEATURES OF THE FETE

CHICAGO, May 1.—People of Chicago and the western states today saw and cheered Admiral Dewey as he, at the head of a military and civil parade, was driven through the city. The procession, which was the largest of the city over a line of march that extended for over four miles. From a raised and beautifully decorated dais in the grand stand erected on the Jackson boulevard side of the new federal building the admiral reviewed the parade, in which nearly 100 different military and civic organizations from all parts of the state participated, and which included veterans of three wars, the Mexican, the civil and the Spanish-American. A squad of sailors who were with the admiral at the battle of Manila bay two years ago and marching clubs of the political parties. Everywhere the admiral, in the full dress uniform of his rank as admiral of the navy, was greeted cordially by the densely packed throngs of people along the route.

Route of the Procession.

Notwithstanding its immense length and the great number of organizations taking part, the parade was started almost exactly on schedule. At 11 o'clock Admiral Dewey, accompanied by Mayor Carter Harrison and Charles A. Plamondon, were driven to the starting point of the parade, Michigan avenue and 23d street, shortly before that hour, a few moments later the order was given to start. The route lay up Michigan avenue to Randolph street, west to State street, south to Adams street, west to LaSalle street, south to Monroe street, west to Market street, south to Jackson boulevard, thence east past the reviewing stand, where Admiral Dewey and his escort alighted from their carriage and from the grand stand reviewed the parade.

Pleasing Features.

All along the line of march the big office buildings and business blocks were ablaze with flags and bunting, gathered in feet of stores and stretches of road from roof to ground, while from numerous flagpoles and windows the national colors fluttered in the fresh breeze, with here and there the dark blue of the admiral's flag.

Positions in Porto Rico.

The positions in Porto Rico continue to be sought at the White House. Some of the callers today talked with the President about these positions. Nearly every public man has a candidate. Senator Kean has presented Frank Bergen of Elizabeth, N. J., as a suitable man for a judicial place. Senator Foraker, who saw the Porto Rican civil government, will run for a short time by army officers, by the terms of the bill passed by Congress yesterday and signed by the President this morning. The President intends, however, to appoint civil officers just as soon as he can secure good men for the places. These will relieve army officers as fast as appointments can be made.

A Local Appointment.

Mr. Samuel H. Kauffmann was today appointed by President McKinley a visitor to the Government Hospital for the Insane, to succeed Rev. B. L. Whitman, resigned.

Today's Nominations.

The President today sent the following nominations to the Senate: Lieut. Commander Wm. H. Turner to be a commander in the navy.

Army-Volunteers-Promotion.

First Lieutenant Thomas Franklin, 23d Infantry, U. S. A., to be assistant commissary, with rank of captain; First Lieutenant Thos. B. Leonard, 21st Infantry, U. S. A., to be assistant quartermaster, with rank of captain.

Andrew R. Venable of Farmville, Va., to be a supervisor of the twelfth district of Virginia.

REPORTED FAVORABLY.

Nominations of Commissioners Macfarland and Ross.

The nominations of Commissioners Macfarland and Ross were reported favorably by the committee on the District of Columbia, and yesterday afternoon by Mr. Gallinger, and went on the calendar. They will probably come up for consideration in the first executive session that is held and will doubtless be acted on favorably.

Personal Mention.

Senator McMillan has gone to New York to see the president. He will return to this city on May 20.

Mrs. S. V. Cornwell and Mr. Alton H. Cornwell and family, who have been away from Anacostia for several months, have returned and are making their home at 1000 Washington street.

Mr. Alvah J. Emery, principal of the Bustleton High School, Philadelphia, and his brother, Mr. William M. Emery, connected with the Pennsylvania railroad at Philadelphia, who have been visiting at the home of their cousin, Mr. Walter W. Fisher of Jackson street, Anacostia, have returned to Philadelphia.

Capt. G. W. Van Deusen of the 7th United States Artillery has returned from the Philippines and, with Mrs. Van Deusen, is temporarily at 718 19th street.

HAWAIIAN OFFICES DISCUSSED

Dole to Be the First Governor of the Territory.

PORTO RICAN POSITIONS

A slight attack of grip has confined Secretary Root to his home, and his absence from the cabinet session today greatly shortened the time in which the members were together. The many questions which came up from the Philippines, Cuba and Porto Rico have taken hours of time in cabinet meetings, where one hour was consumed on domestic affairs. Thus, when Secretary Root is not at the meetings, the business is soon disposed of.

Talk About Hawaii.

Most of the talk today was about Hawaii. The President intends to make the nominations to the offices at an early day, so that the appointments may have all the time they want to arrange preliminaries. The President having signed the bill yesterday, Hawaii will soon be a territory of the United States, with regular territorial officers, a legislature, etc. It was well understood at the White House today that the President intends to appoint President Dole as the first governor of the island. The President district attorney, Marshall, who has been recognized as the best man for the position, is believed to be well qualified for the position. It is thought that when Hawaii becomes a territory, the policy of the President will be to largely recognize the home rule doctrine of the islands, and to leave the matter of the territorial officers to the islands. In fact, all the territorial offices will be filled by the islands, and part of the positions, such as the judge, marshal and collector of customs, will be filled by the islands. These places are a United States judge, district attorney, marshal and collector of customs.
